**Form I-9 Compliance**

24 Corporate Plaza, Suite 100  
Newport Beach, CA 92660

**To Whom it may concern:**

**It is my understanding that after a considerable amount of external research, Sonic Restaurants, Inc. selected Form I-9 Compliance, LLC to be our Electronic I-9 Service provider. My first hand experience with Form I-9 Compliance relates to the use of their Electronic I-9 Management Solution at the 13 SRI Ordermatic Stores in the Nashville Market I have responsibility for.**

**All of our Drive In's have benefitted greatly from the use of this Electronic I-9 System since we first rolled it out in February 2009. I highly recommend the services of Form I-9 Compliance to those who are truly interested in becoming compliant with the Immigration Reform and Control Act, and wish to reduce their legal and financial risks.**

**Respectfully,**

**Mr. Gary Kuhn  
Market Leader  
Sonic Restaurants, Inc.**
